everyday

BOOK STOREFRONT

Your next book, a little closer.

Browse books. Ask for help. Compare prices. Keep your orders together.

01 Browse the collection

Search by title, sort by price and filter for books in stock.

02 Compare book prices

Check Everyday against Books to Scrape, with INR and GBP clearly labeled.

03 Ask Everyday

Find books, compare on request and ask questions about store policies.

04 Build your bag

Add requested books through chat or manage quantities in the storefront.

05 Save an order

Review your bag and shipping details, then create an unpaid order.

06 Find your order details

View order history or ask the assistant about your own purchases.

FastAPI / SQLite / LangChain / Beautiful Soup / FAISS

Local demo: http://127.0.0.1:5173 | Sign in for your bag, chat and orders

Checkout records unpaid orders; no online payments or shipment tracking.
Books to Scrape uses demo prices. Illustration is concept artwork.
